

HARROGATE AND DISTRICT NEIGHBOURHOOD WATCH ASSOCIATION

Crime Prevention Goods – Product Descriptions (use in conjunction with web pictures)

Small Signs

Codes 1071/2/5/8 & 1084 @ £1.00 each. Size 75x155mm. Made from 3mm hard wearing rigid pvc. Clear definition. Suitable as a deterrent when mounted on gates, outbuildings etc.

Also available – Code A @ £1.50 a small version of the Neighbourhood Watch sign suitable for gate mounting on property located between main street signs or in those areas where street signs are banned.

Alarms

Code DP0101 @ £6.00 each. Defender Personal Alarm & Torch. 140 decibel siren and strobe light with independent torch and key ring attachment. Fitted with replaceable batteries.

Code DP0117 @ £5.00 each. Defender Handbag Alarm. Mouse shape to be securely attached to handbag or briefcase, activated by wrist strap ripcord. 125 decibel siren. Fitted with long life batteries.

Code EA0215 @ £5.00 each. Mini Shock Sensor Glass Alarm. A compact window or glass door panel alarm triggered by vibration on attempted break-in. Batteries fitted and supplied with warning sticker.

Code EA2001 @ £15.00 each. KeyPad PIR Entry Alarm. Suitable for use as a traditional alarm or as a door chime entry detector for office, home, garage, shed, caravan etc. 130 decibel siren. Prewired, simple fixings – PIR and magnetic contacts - and batteries supplied.

Code EA 2002 @ £18.00 each. Key Fob PIR Entry Alarm. Similar to product EA2001 above but Key Fob allows a unique code setting with arm/disarm of alarm by operation of the fob.

Other Security Items

Code EA0403 @ £10.00 each. Door Com. This item enables occupants to communicate with callers without opening the door, includes a door chime and two way conversation with caller. Robust manufacture with simple DIY installation, battery included.

Code BD1002 @ £7.00 each. UPVC Safe T Door Bar. Special construction for UPVC door and window installation allowing limited opening.

Code BD1101 @ £5.00 each. Door Bar/Guard Restrictor. Brass finished door bar designed to limit the door opening prior to allowing entry.

Code BD0401 @ £4.00 each. Door Viewer. Brass finished wide (200 degree) angle viewer adjustable to fit 35-54mm door thickness.

Code BD0230 @ £25.00 each. Master Key Safe. Secure heavy duty safe suitable for internal use, storage of house keys at night, car keys when not in use, and externally for access of carer/child rather than under the brick!

Code AM0103 @ £6.00 each Bullet Light/Key ring. Small size UV light, ideal for detecting marked property e.g. Smartwater as well as for authenticating credit cards, notes and other UV marked documents.

Code AM0202 @ £0.50 each. UV Marker Pen to mark your property with invisible ink – e.g. name and postal code for easy identification.

Code AM0211 @ £1.50 each. All Purpose Property Marking Kit. UV pen, labels and recording sheet with instructions.

Code BD1206 @ £5.00 each. Locking Hasp and Staple with Keys. Strong construction with concealed fixings and integrated key locking.
