

# POLICE COMMUNITY SUPPORT OFFICERS

They are a uniformed presence pounding the streets of North Yorkshire , complementing the work of police officers by focusing predominantly on low level crime, disorder and anti social behaviour.

The Police Community Support Officers are managed and tasked by local community safety teams in consultation with stakeholders and communities. They work between the hours of 8.00am and 10.00pm, with a shift pattern covering seven days a week.

As from 1 August 2005 the Police Community Support Officers WILL have the power to detain a person for up to 30 minutes pending the arrival of a constable, and the power to use reasonable force to detain a person , or prevent he/she from making off. Also from this date they will have the power to issue Fixed Penalty Tickets for Disorder, and direct and control traffic in the same way as Traffic Wardens.

The Harrogate District PCSO's are willing to assist with Neighbourhood Watch from set up meetings, to leaflet drops etc.
